Informazioni su questo libro

Si tratta della copia digitale di un libro che per generazioni è stato conservata negli scaffali di una biblioteca prima di essere digitalizzato da Google nell'ambito del progetto volto a rendere disponibili online i libri di tutto il mondo.

Ha sopravvissuto abbastanza per non essere più protetto dai diritti di copyright e diventare di pubblico dominio. Un libro di pubblico dominio è un libro che non è mai stato protetto dal copyright o i cui termini legali di copyright sono scaduti. La classificazione di un libro come di pubblico dominio può variare da paese a paese. I libri di pubblico dominio sono l'anello di congiunzione con il passato, rappresentano un patrimonio storico, culturale e di conoscenza spesso difficile da scoprire.

Commenti, note e altre annotazioni a margine presenti nel volume originale compariranno in questo file, come testimonianza del lungo viaggio percorso dal libro, dall'editore originale alla biblioteca, per giungere fino a te.

Linee guide per l'utilizzo

Google è orgoglioso di essere il partner delle biblioteche per digitalizzare i materiali di pubblico dominio e renderli universalmente disponibili. I libri di pubblico dominio appartengono al pubblico e noi ne siamo solamente i custodi. Tuttavia questo lavoro è oneroso, pertanto, per poter continuare ad offrire questo servizio abbiamo preso alcune iniziative per impedire l'utilizzo illecito da parte di soggetti commerciali, compresa l'imposizione di restrizioni sull'invio di query automatizzate.

Inoltre ti chiediamo di:

+ *Non fare un uso commerciale di questi file* Abbiamo concepito Google Ricerca Libri per l'uso da parte dei singoli utenti privati e ti chiediamo di utilizzare questi file per uso personale e non a fini commerciali.

+ *Non inviare query automatizzate* Non inviare a Google query automatizzate di alcun tipo. Se stai effettuando delle ricerche nel campo della traduzione automatica, del riconoscimento ottico dei caratteri (OCR) o in altri campi dove necessiti di utilizzare grandi quantità di testo, ti invitiamo a contattarci. Incoraggiamo l'uso dei materiali di pubblico dominio per questi scopi e potremmo esserti di aiuto.

+ *Conserva la filigrana* La "filigrana" (watermark) di Google che compare in ciascun file è essenziale per informare gli utenti su questo progetto e aiutarli a trovare materiali aggiuntivi tramite Google Ricerca Libri. Non rimuoverla.

+ *Fanne un uso legale* Indipendentemente dall'utilizzo che ne farai, ricordati che è tua responsabilità accertati di farne un uso legale. Non dare per scontato che, poiché un libro è di pubblico dominio per gli utenti degli Stati Uniti, sia di pubblico dominio anche per gli utenti di altri paesi. I criteri che stabiliscono se un libro è protetto da copyright variano da Paese a Paese e non possiamo offrire indicazioni se un determinato uso del libro è consentito. Non dare per scontato che poiché un libro compare in Google Ricerca Libri ciò significhi che può essere utilizzato in qualsiasi modo e in qualsiasi Paese del mondo. Le sanzioni per le violazioni del copyright possono essere molto severe.

Informazioni su Google Ricerca Libri

La missione di Google è organizzare le informazioni a livello mondiale e renderle universalmente accessibili e fruibili. Google Ricerca Libri aiuta i lettori a scoprire i libri di tutto il mondo e consente ad autori ed editori di raggiungere un pubblico più ampio. Puoi effettuare una ricerca sul Web nell'intero testo di questo libro da `http://books.google.com`

All books not in use for instruction or research are limited to four weeks to all borrowers.

Periodicals of a general character should be returned as soon as possible; when needed beyond two weeks a special request should be made.

All *student* borrowers are limited to two weeks, with renewal privileges, when the book is not needed by others.

Books not needed during recess periods should be returned to the library, or arrangements made for their return during borrower's absence, if wanted.

Books needed by more than one person belong on the reserve list.

FOR HOME USE ONLY

PRÉFACE.

L'ouvrage que j'ai l'honneur d'offrir aujourd'hui aux savants est un fruit de mes voyages pendant plusieurs années. J'ai visité les musées de Boulaq, de Paris, de Londres, de Leide, de Turin, de Berlin, de Vienne, de Naples, de Rome, de Florence, de Munich, de Liverpool et de Stockholm, et partout j'ai copié les listes généalogiques qui se trouvent sur les stèles et sur les autres monuments Égyptiens. De même j'ai pris, pour procurer les matériaux aussi complets que possible, les listes qui se trouvent sur les monuments déjà publiés, par exemple dans: „Lepsius, Denkmäler aus Aegypten und Aethiopien," dans: „S. Reinisch, die ägyptischen Denkmäler in Miramar" &cet. J'espère encore pouvoir ajouter dans une appendice les inscriptions des monuments Égyptiens de Copenhague, de St. Pétersbourg et peut-être de New-York, et alors j'aurai épuisé presque toutes les collections Égyptiennes, excepté quelques unes de peu d'étendue qui se trouvent dispersées en differents endroits. J'avais un double but: d'abord de recueillir les matériaux d'un dictionnaire de noms Égyptiens, à coup sûr pas complet, mais au moins aussi complet que possible; puis d'utiliser les listes généalogiques pour

Digitized by Google

la chronologie Égyptienne, ainsi que l'a montré M. le Vic. E. de Rougé dans son excellent mémoire sur les monuments des six premières dynasties Égyptiennes,[1] et ainsi que j'en ai donné une preuve dans mon mémoire sur la 22ième dynastie, inseré dans la Revue archéologique[2]. Il était nécessaire pour ce double but d'arranger les listes tant en ordre généalogique qu'en ordre alphabétique. Aussi j'ai essayé dans l'ordre généalogique de suivre le fil chronologique, une règle à laquelle il n'a pas toujours eté bien facile de satisfaire et contre la quelle je regrette d'avoir péché moi-même (No. 257—259, pag. 84).

On a très bien dit qu'il n'est pas toujours prudent d'accepter sans examen les renseignements généalogiques qui nous sont accidentellement fournis. Il est donc nécessaire de recueillir, s'il est possible, toutes les inscriptions sur les monuments généalogiques, afin que l'examen puisse se faire avec plus de sûreté. On ne peut pas se fier seulement sur un de ces monuments, il faut en avoir plusieurs pour pouvoir comparer et verifier les uns sur les autres.

Je n'ose espérer que j'aie toujours justement lu et copié les titres et les noms dans des inscriptions souvent fort endommagées. C'est surtout à l'égard de celles qui se trouvent au Louvre et dans le musée de Turin que j'ai le plus de doute.[3] Mais je prie les savants de vouloir

[2] Revue archéologique, Nouvelle séric. 18, pag. 272.

[3] Comme un exemple de ce doute je citerai seulement  (pag. 54 no. 176) qui probablement doit être  ; (cf. Brugsch, Dictionnaire pag. 1103).

Digitized by Google

pardonner les défauts, inséparables peut-être d'un ouvrage qui est le premier en son genre. Pour une seconde édition on pourra profiter de leurs observations.

J'ai partout cité l'endroit où les monuments se trouvent avec les indications, lettre et numéro, affichées, dont les dernières quelquefois manquent, mais seulement dans les cas, qu'elles manquent sur les monuments. Pour que l'investigateur puisse plus facilement retrouver mes numéros dans les musées, je citerai les ouvrages descriptifs des musées que j'ai eus sous les yeux et qui m'ont guidé dans mes citations :

1. Notice des principaux monuments exposés dans les galeries provisoires du Musée d'antiquités Égyptiennes de S. A. le Vice-Roi à Boulaq par Aug. Mariette-Bey. Deuxième édition revue et augmentée. Alexandrie 1868.[1]

2. Notice sommaire des Monuments Égyptiens exposés dans les galeries du Louvre par le Vicomte Emm. de Rougé. 2e édition. Paris 1860.

3. Description raisonnée des Monumens Égyptiens du Musée d'antiquités des Pays-Bas à Leide, par Le Dr. C. Leemans. Leide 1840.

4. Catalogo illustrato dei Monumenti Egizii del R. Museo di Torino compilato dal Professore Pier-Camillo Orcurti. Sale al quarto piano. Torino, 1855.

5. Uebersichtliche Erklärung ägyptischer Denkmäler des Königl. neuen Museums zu Berlin, von Heinr. Brugsch. Berlin 1850.

6. Indication succinte des Monuments Égyptiens du Musée de Florence par le conservateur A. M. Migliarini. Florence 1859.

[1] Quelque fois les numéros affichés ne s'accordent pas avec les numéros de la Notice. Dans ce cas j'ai toujours cité les premiers.
